

2025 Review

Message from Commander Donald W. Herr, Jr. Major, USMC (Ret) :

Our Post continued 2025 as a very active community partner, achieving All-American and All-State recognition while participating in numerous civic events and providing veteran's assistance to those in need. We are dedicated to supporting those who sacrifice so much for this country – veterans, Active-Duty service members, and their families whether stationed at home or deployed overseas. Additionally, this includes keeping the pressure on Capitol Hill by monitoring, reporting on, and lobbying for legislation that impacts our veteran community. We are extremely proud of our Post membership which includes warriors who have served with honor and distinction in every conflict since World War II to the War on Terrorism on land, sea, and air.

As an active member of our VFW Post, you will have the opportunity to make a difference in our community and build a comradery with fellow veterans. We are here to support you in any way we can, if you need information regarding anything Veteran related, please do not hesitate to ask. We hope to be able to not only provide an atmosphere where you feel comfortable, but help you navigate any veteran related questions you may have. If we don't have the answer, we will find someone who does.

Newnan VFW Post 2667 was renamed to honor two local Vietnam War Medal of Honor Recipients: Marine Major Stephen Wesley Pless and Air Force Lt. Col. Joe Madison Jackson. Both veterans demonstrated extraordinary bravery during the Vietnam War with Major Pless earning the Medal of Honor in 1967 and Lt. Col. Jackson receiving the honor in 1968.

COMMUNITY OUTREACH:

When we unite, we can
conquer the impossible!

Programs include scholarships for local youth, support for JROTC and scouting programs, and distribution of Buddy Poppies on Memorial Day weekend. These programs are part of our ongoing commitment to serve our community and support our local veterans and families.

Supporting the Outreach Center at Ft. McPherson with our VFW Day of Service, providing comfort kits, 100 bags lunch, backpacks, snacks, water and other items to provide to the homeless in the area.

We are dedicated to supporting those who have sacrificed so much for this country – veterans service members in the US Armed Forces and their families.

To fulfil our mission, we provide advocacy to the individual veteran and his/her family. Our Post Benefits Advisor is well-versed at dealing with the Department of Veterans Affairs and the Georgia Department of Veterans Service. We keep the pressure on Capitol Hill by monitoring, reporting on, and lobbying for legislation that directly impacts our veteran community. We develop the next generation of patriots by sponsoring competitive scholarship programs for America’s youth, including JROTC and Scouting.
